The Double Loop Pattern

Winter days here in the Northeast are so unpredictable. Sometimes I leave the house thinking that I'm dressed just right, only to discover a few hours later that the weather has changed it's mind. This is why I created the Double Loop. It works as two pieces in one: a scarf for when it's a little chilly, OR loop it around your head one more time and you have a toasty warm neckwarmer to keep out that bitter cold wind! One accessory has you covered.

I hope you enjoy the Double Loop Pattern and Happy Knitting!

about the designer:

I am a maker of silly, sweet, fun and happy things and hope that my artwork makes you smile. I work as a freelance illustrator & designer, knitter & creative project do-er. I live in upstate NY with my husband and our sweet baby boy.

For more info, blog & art shop, please visit my website: www.rachelod.com

YOU WILL NEED:

2 hanks (100 g each) Bulky Wool**
size 11 circular needles, 40" length recommended
stitch marker
blunt needle

Finished Size: 8" wide x 22" long

Gauge: 2 inches = 7 sts in 1x1 rib

One size fits all

CO 150 sts

Row 1: *K1, P1*

Right before you join the ends, give the last stitch a full turn, which will give your scarf a lovely twist.

But if you would prefer your scarf un-twisted, join the ends making sure the stitches are not turned.

Continue to knit in 1x1 rib until scarf measures 8".

BO. Weave in ends

***I knit this pattern with Araucania Nature Wool Chunky Multy yarn (100% wool). Although I would not describe this yarn as 'itchy', it does sit snugly around your neck when double looped and may be an issue for those with more sensitive skin. Be careful of this when choosing your yarn!*
